Sam & His Farm Yard Friends

On Wednesday, The Junior School were lucky enough to be visited by Sam and his Barnyard Friends. Ponies, goats, rabbits, chickens and guinea pigs were there for the children to interact with. The children were also able to ride the ponies, which was the first time for some. This was a wonderful experience for the children and they all had a fantastic time.

The farm came to Saint Peter Chanel. I saw two horses and a big bunny. Then I saw two goats. I brushed the big horse and I rode the little horse. I love it.

SPC NETBALL

Last week our SPC netballers enjoyed another evening of fine weather and brilliant skills out on court.

Tuesday 30th May

Our Tommo's Bakery SPC Stars are really beginning to show clarity of the game we all love. From only being together as a complete team since Term 1, these girls have excelled in their learnings and their skill set so far. From shy little poppets dawdling around the court to absolute machines when that first siren goes. Coach Sandra has done an amazing job nurturing the kids' abilities and joining the dots so far. These Stars have only been on the other side of the scorecard once this season, and even then the smiles were huge and fun was still being had. Last week's Player of the Day was Islah Mills.

Wednesday 31st May

We have two teams in this age bracket this season. Our Pat Chaimontree Real Estate SPC Comets are our newbies. The feedback is always positive from parents when I get a chance to speak with them about their girls playing this year, which is so neat to hear. A word from Coach Bridie - The SPC Comets are turning into a really nice team. They're all doing really well and all the girls are improving each time on court. It's so much fun and, to see them all loving it, is awesome. They go out each week and have plenty of fun on court! Olivia Eagleton had Player of the Day this week and Petesa Koli Filivao had our Achievement Award.

Our 2nd Team, Pat Chamontree Real Estate SPC Galaxy, are our longest playing team so far. The past few years they have been building connections and building a good culture within their team and it's evident when they all get together for training and game day. Even when they've had new players join it doesn't take long for those new girls to slip into routine with what's going on within our team already.

This season so far has been a perfect season with no losses but, most importantly, the things they have been learning over the past 3 years are starting to show. Their speed on attack is brilliant and defence is relentless all through the court. Right now the girls are starting to work on their focus levels while on court to keep their skill levels up for the entire game. Last week's Player of the Day was Ava Chaimontree.

Tommo's Bakery SPC Rockets

Our Tommo's Bakery SPC Rockets are our Year 1 & 2 netball team and this is the first year for all of the girls. I am so proud of the girls, they are learning new skills and getting better every week. It is a pleasure to coach them.

Week One Player of the Day - Michaela Rowse.

Michaela (right) was lovely to watch! For the first game she was so energetic and took everything in. Loved her concentration and team work.

Week Two Player of the Day - Indie Rickman.

Indie (left) is so fast and really focused. She is so energetic and is a real all-rounder! A star interceptor and always tries to make herself available for a pass.

Week Three Player of the Day - Eden Sanft.

Eden (right) has grown in confidence and got really involved in the game this week. It was great to see her enjoying it.

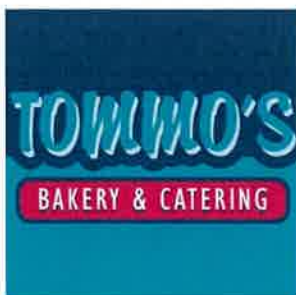

Week Four Player of the Day - Zoey le Fleming.

Zoey (left) was a trooper after having a fall at school earlier in the day and grazing her knees. She was keen, eager and got some great goals.

A huge thank you to XP Electrical for providing our coaches with SPC Sports tee's, and to Performance Plus Physio for dressing our coaches in long warm jackets for the winter season.

Lastly, but never the least, thank you to our netball dress sponsors, food sponsors and all-things-we-need sponsors, Pat Chaimontree Real Estate and Tommo's Bakery for taking care of our girls on court and off the court as well.

Give your children the gift of sport!

Sport is an excellent way for your child to build and strengthen friendships with school mates. Playing in a team gives them a wonderful sense of belonging and working towards a common goal. Being involved in a team helps children build their own self confidence and resilience, strengthening their positive sense of self.

Give your child the gift of sport! Encourage your child to join one of our SPC sports teams. *Go sport!*
